

Roma 24/06/2021

**Medical Certificate COVID-19 FREE for SARS-COV2
and good health**

I certify that **AATEIA DULAJ SAMUIL FARID** Born on **21/11/1991**

PASSPORT/ ID CARD N°: **PT0000241**

has undergone a **MOLECULAR NASOPHARYNGEAL SWAB RT-PCR for SARS-CoV-2**
on **24/06/2021 - N° R21-384086**

The method used analyses the following specific genes for SARS-CoV-2:

Orf8 and RdRP with Sensitivity: $\geq 97\%$ (100 gEq/ml or 2 copies/react) and Specificity: $\geq 97\%$
Instrument PCR and extraction: Starlet (Hamilton); CFX96 (Biorad)

RESULT OF RT-PCR: **NEGATIVE** for the presence of SARS-COV2.

I submitted a clinical evaluation with health self-certification, validated by clinical videat, and I certify that the patient is in good health and not affected by specific symptoms of COVID-19 and

Mrs. AATEIA DULAJ SAMUIL FARID is **COVID FREE** by Molecular Nasopharyngeal Swab (viral genome)

(SARS-COV2 MOLECULAR SWAB is intended for qualitative detection of genes Orf8 and RdRP of SARS-COV2 and can be used to diagnose or exclude SARS-COV2 with clinical data)
